Where **limitations** are forgotten,  
and **differences** are celebrated

## Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive, and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Fountain Valley, CA, Fountain Valley Playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

## The Vision

The City of Fountain Valley has long been a supporter and champion for people who live with disabilities. The Fountain Valley Sports Park is the proud home to the Special Olympics Orange County Fall Games and the city was a proud Host Town for the Special Olympics World Games in 2015. We believe Play is a universal language. When people play together, we realize that we are all the same and want and deserve the same things...Dignity, Respect and Opportunity! This playground and recreational area will continue to provide that opportunity for generations to come...truly making Fountain Valley a “Nice Place to Live!”
