Dear Friends,

I am reaching out to you on behalf of Unlimited Play Inc., a nonprofit organization dedicated to fostering inclusive, accessible playgrounds where children of all abilities can play together. As the Executive Director and a parent of a child who lived with a disability, I founded Unlimited Play to address the critical need for play spaces that transcend the typical boundaries of physical and social limitations.

Unlimited Play's playgrounds are more than just play spaces; they are transformative environments that promote social inclusion, physical health, and psychological well-being among children. These playgrounds serve as community landmarks that demonstrate the practical application of accessibility and inclusivity.

Since our inception, we have successfully launched over 100 playground projects nationwide, each uniquely designed to cater to the diverse needs of its community. Our playgrounds are more than just play areas; they are vibrant hubs where children learn the values of empathy, equality, and cooperation.

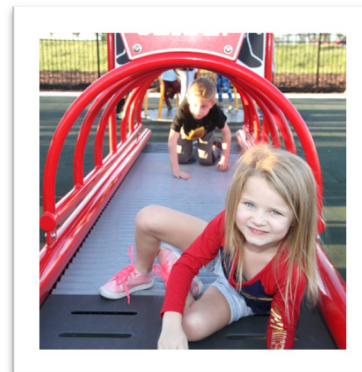

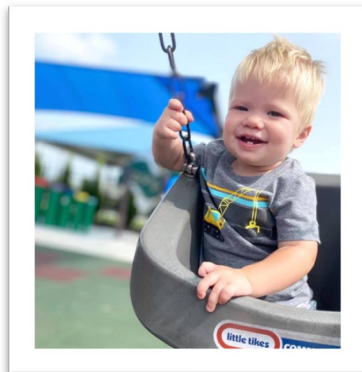

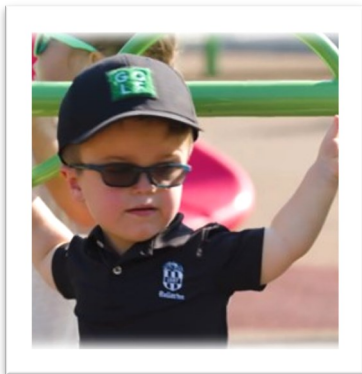

We are continually striving to expand our impact, and to do so, we need the support of compassionate, forward-thinking partners. We believe your organization shares our vision of a more inclusive world, making you an ideal partner for our upcoming projects.
