

Mikey L. Racciato Playground

A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where limitations are forgotten, and differences are celebrated

Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive, and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in West Pen Argyl, PA

The Mikey L. Racciato Playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

The Vision

Who We Are: The Mikey L. Racciato Foundation Field of Dreams is a project with a mission to encourage and engage our communities (Northampton, Monroe and Lehigh Counties), with a focus on those with special needs, in physical and social activity by building a community complex to provide opportunities for special needs individuals of all ages and abilities to engage, explore and socialize together.

What We are Doing: Our foundation is seeking to build an inclusive playground to benefit special needs individuals of all ages, abilities, and needs. This complex will feature several stand-alone pieces of playground equipment specifically designed for children with special needs along with adding a 9-hole mini golf course. This complex will be open to residents of surrounding towns, counties, and states.

The MLRF Inclusive Playground will provide engaging and interactive areas, events for music and art appreciation, as well as quiet spaces for observation, reflection, and reorganization. Our hope is to increase awareness of our special needs community and provide an inclusive environment in which they can play and interact together.

The Slate Belt and its surrounding communities will also benefit from being the only area in Northeastern Pennsylvania with a complex specifically developed for special needs individuals. It will serve as a sustainable landmark and significant accomplishment for the town.
