Sponsorship Packet

Dear Friends,

PLAY IS A UNIVERSAL NEED—LET'S MAKE IT ACCESSIBLE TO ALL

At our core, we all share fundamental needs: to feel valued, connected, empowered, and included. Play is one of the most natural ways to fulfill these needs, yet for many children and adults with disabilities, playgrounds remain full of barriers—limiting or completely preventing them from playing alongside their siblings, friends, and peers.

Unlimited Play was created to change that. For over 20 years, we have been building inclusive playgrounds that transform communities. With nearly 100 playgrounds nationwide, we provide accessible play to over 1.5 million visitors every year—but there is still so much more to do.

Your support can help us bring the magic of inclusive play to more communities.

If you are interested in sponsoring or donating, please scan the QR code or contact us at diane@unlimitedplay.org. We would love the opportunity to connect and share the impact your support can make.

Together, we can ensure every child, every family, and every community has a place to play. Thank you for your consideration—we look forward to hearing from you!

Sincerely,

Natalie Mackay
