A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where **limitations** are forgotten, and
differences are celebrated

Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive, and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Glidden Park, Collinsville, IL.
All Abilities Playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

The Vision

The City of Collinsville intends to build an inclusive playground for all children, regardless of ability, background, or circumstance, where they belong, thrive, and play freely. Our vision is to create an environment that fosters inclusivity, accessibility, and joy for all.

We envision a playground where laughter knows no bounds, where children of all abilities swing side by side, climb together, and imagine without limits. In this space, diversity is celebrated, and barriers are dismantled, ensuring that every child can participate fully in the joy of play.

Through thoughtful design, innovative equipment, and a commitment to universal accessibility, our playground will be a beacon of inclusivity in our community. We will provide sensory-rich experiences, tactile exploration, and opportunities for social interaction, enabling children of all abilities to engage and connect with one another.

Our vision extends beyond physical structures to encompass a culture of empathy, understanding, and acceptance. We will foster a sense of belonging where differences are embraced, and friendships are forged across boundaries.
