

Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Mt. Vernon, Avery's Place Playground will be an Unlimited Play inclusive playground honoring children of all abilities — a place where limitations will be forgotten and differences are celebrated!

The Vision

Thanks to the inspiration of 14-year-old Mt. Vernon High School freshman, Sydney Deno, and a great group of caring individuals, laughter will be heard and smiles will be seen as children of all ages and abilities enjoy the Unlimited Play all-inclusive playground in Mt. Vernon, IN. Avery's Place located on Mt. Vernon's beautiful riverfront, celebrates the life and happiness of Avery Beste.

Ask anyone what they remember most about Avery and they will tell you her contagious laugh and beautiful smile.

Although a genetic disorder, Partial Trisomy 13, left her with multiple mental and physical disabilities, battling surgery and sickness more than most, she was always happy! She never met a stranger and loved everyone. Avery's greatest joy was playing with her peers and being included in everyday activities. Sometimes those activities were difficult because of physical disabilities that left her mostly in a wheelchair.

Avery passed away in 2008, at the age of 18. The memories of her contagious laugh and unlimited smiles will forever remain. Avery's Place is dedicated to help spread Avery's happiness to all of those who will now be able to play regardless of their ability and allow all children to experience the joy of inclusive play.
