

# Ellicottville Inclusive Playground

in Ellicottville, New York

A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

## SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where **limitations** are forgotten, and  
**differences** are celebrated.

## Why do playgrounds matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Ellicottville, New York this playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

## THE VISION

To create an inclusive place in Cattaraugus County for intergenerational play where children and people of all ages and of all ability levels, can explore, engage, learn and have fun side by side.

Ellicottville Playground is committed to fostering inclusive play for all ages and abilities.

Our mission is to introduce modern, versatile equipment that supports the physical, social, and cognitive development of the Ellicottville community. As a unique, four-season destination attracting visitors from Ohio, Pennsylvania, Canada, and beyond, Ellicottville offers so much for local and visiting families. This playground will add a safe, accessible space where everyone, regardless of ability, can play and thrive together.

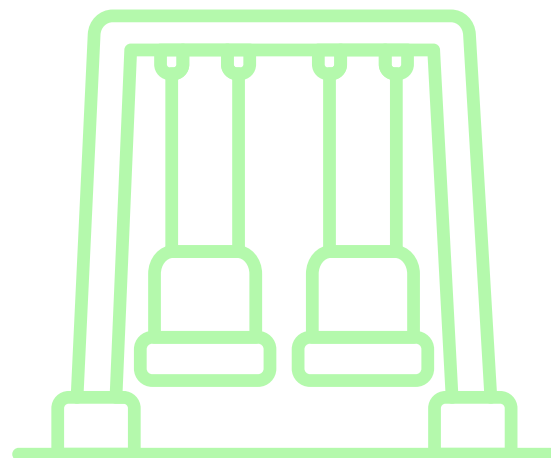

In response to the pressing need for an inclusive play space, five dedicated local moms have come together to spearhead the creation of a modern playground in the village of Ellicottville—a place where every child, regardless of ability, can play and connect. For Tiffany Frentz, one of the founding members, this mission is deeply personal. Her daughter Lola, who has Lesch-Nyhan Disease and uses a wheelchair, faces significant barriers at the current playground, which is largely inaccessible to her and many others with physical limitations.

The playground is a cornerstone of our community, especially during the summer when it hosts a wide array of programming, sporting events, and gatherings. However, its outdated design limits participation for many children and families. We are committed to transforming this space into a safe, inclusive environment that welcomes all children to play together, fostering a stronger, more connected community.

We invite you to join us in this important fundraising effort to bring our vision to life. Your support will help us create a playground where every child can experience the joy of play, without limitations.

"We are committed to creating a space where people of all ages and abilities can engage in healthy outdoor play. This effort will require the support of our community—churches, businesses, foundations, clubs, and families. We sincerely thank you for your generosity, whether through monetary contributions or in-kind gifts.  
Together, we can create a place of inclusion and community."

Please consider donating in one of the following ways

1. Contribute to the general fund, which will cover all aspects of the park's completion.
2. Sponsor a specific piece of playground equipment.
3. Share an in-kind gift of your time and talents. We need donations of equipment, and labor in areas like concrete work, land leveling, and landscaping.

If you're able to contribute in any of these ways, please speak directly to a committee member.

Let's PLAY! 

## What is Unlimited Play?

Unlimited Play is an award winning nonprofit organization that builds universally inclusive playgrounds to promote health and wellness and change communities by providing freedom of play for ALL children. The transformational power of an inclusive playground brings kids and adults of all abilities together to play and learn from each other.

Unlimited Play is a 501(c)3 non-profit organization that helps to plan, design and build fully accessible playgrounds. Unlimited Play playgrounds allow all children – regardless of their abilities – to play together. A valuable resource in our community, Unlimited Play has unique expertise in this area and is available to assist in the development of inclusive playgrounds that promote dignity, understanding and respect among children. In 2016, Little Tikes Commercial and Unlimited Play announced a partnership to help provide the magic of outdoor play to children of all abilities.
