

Greenwood Adaptive Playground Project Timeline

GREENWOOD ADAPTIVE PLAYGROUND PROJECT

How Can You Help?

- Join us at community meetings.
- Volunteer your time to help to raise funds during events.
- Help us save money by donating your time for our "community build" that will begin with construction.
- Follow us on Facebook for more information and updates.
- Tell a friend!

Sponsors Needed

We are actively exerting our efforts to fundraise and are seeking generous businesses and/or individuals that would like to be a part of bringing this unique space to life by sponsoring material, labor, or select playground equipment for the park. All donations \$1,000+ will be added to our Donor Wall that will be displayed at the entrance of the playground.

Your gracious support will enable ALL children and caregivers of all abilities the opportunity to experience the joys and benefits of play. This destination playground will truly impact thousands of people every year.

AN INCLUSIVE PLAYGROUND IS SPECIFICALLY DESIGNED TO REMOVE PHYSICAL AND SOCIAL BARRIERS SO ALL CHILDREN, WITH AND WITHOUT DISABILITIES AND/ OR CRITICAL ILLNESSES, CAN PLAY SIDE BY SIDE WITH THEIR PEERS AND FAMILIES!

We are a group of local individuals with a passion for the children in our community to have a place to connect and play, no matter their age or abilities.

Our group has partnered with the City of Greenwood Parks & Recreation department to bring an inclusive & adaptive playground to South Sebastian County.

Who We Are

Play is a critical part of physical, emotional, mental and social development for **EVERY** child.

Our Partners

With the help of **Unlimited Play** (a large non-profit 501c3 specialized in planning, designing & constructing inclusive play areas across the country,) and the **support of our community**, we know this vision is attainable. For more information on how to become a partner, please visit our Facebook page today!
