

Lesanto's Learning Center

Inclusive Playground

St. Louis, Missouri

A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where **limitations** are **forgotten**, and
differences are **celebrated**.

Why do playgrounds matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in St. Louis County this playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

Our story

At Lesanto's Healing Hands Learning Center, we are committed to providing high-quality care and support for children with special needs. Our experienced and compassionate staff are trained to work with children who have a wide range of needs, including developmental delays, physical disabilities, and sensory processing disorders.

We believe in a holistic approach to care, which means we consider the unique needs and preferences of each child. We work closely with parents and caregivers to develop individualized care plans that support long-term growth and development.

Our state-of-the-art facility is equipped with specialized tools and technology — including sensory integration equipment, communication devices, and assistive technology — to enhance the quality of care and learning we provide.

We are also proud to collaborate with other organizations and professionals, such as healthcare providers and therapists, to ensure every child receives the highest level of support and care.

Our Playground Vision

We are committed to creating a world where no child is left behind due to financial hardship, developmental delays, or physical limitations. Through specialized education, therapeutic services, and emotional support, we help children build confidence, independence, and joy in their everyday lives. We believe play is healing — and every child deserves a safe, inclusive space to laugh, explore, and grow. That's why we're raising funds to build an adaptive playground designed specifically for children of all abilities.

This playground will allow children who use wheelchairs, walkers, or need sensory-friendly spaces to enjoy the simple yet powerful gift of play.

By supporting this project, you're helping us create more than a playground — you're building a bridge to inclusion, healing, and hope for the children and families who need it most.

Help us in crafting a playground that welcomes all individuals.

Your generous support will enable ALL children and caregivers of all abilities the opportunity to experience the joys and benefits of play.

This playground will truly impact everyone who attends the Lesanto's Learning Center.

What is Unlimited Play?

Unlimited Play is an award winning nonprofit organization that builds universally inclusive playgrounds to promote health and wellness and change communities by providing freedom of play for ALL children. The transformational power of an inclusive playground brings kids and adults of all abilities together to play and learn from each other.

Unlimited Play is a 501(c)3 non-profit organization that helps to plan, design and build fully accessible playgrounds. Unlimited Play playgrounds allow all children – regardless of their abilities – to play together. A valuable resource in our community, Unlimited Play has unique expertise in this area and is available to assist in the development of inclusive playgrounds that promote dignity, understanding and respect among children. In 2016, Little Tikes Commercial and Unlimited Play announced a partnership to help provide the magic of outdoor play to children of all abilities.
