

BUFFALO FAMILY PLAY PARK

in Butler, TN

A UNIVERSALLY ACCESSIBLE PLAYGROUND

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where **limitations** are **forgotten**, and
differences are **celebrated**.

Why do playgrounds matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Butler, Tennessee this playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

THE VISION

To create an inclusive playground in Butler, TN for intergenerational play where children and people of all ages and of all ability levels, can explore, engage, learn and have fun side by side.

THE MISSION

The Little Milligan Community Center is dedicated to preserving the heart and heritage of our Appalachian community by fostering a strong sense of connection, belonging, and pride. We strive to be a welcoming and accessible gathering place where people of all ages can learn, celebrate, and support one another through programs, events, and shared traditions.

As part of this mission, we are committed to creating opportunities that ensure every member of our community feels included and valued. Our current focus is raising funds for the development of an all-inclusive playground—a space intentionally designed so that children of all abilities, along with their families and friends, can play side by side. This playground will not only offer safe and engaging recreational opportunities, but it will also serve as a symbol of unity, demonstrating our belief that every child deserves the joy of play and every family deserves a place to gather.

Through these efforts, the Little Milligan Community Center seeks to honor our past, strengthen our present, and invest in a future where our community thrives together.

Come together to develop a playground accessible to all individuals.

Your generous support will enable ALL children and caregivers of all abilities the opportunity to experience the joys and benefits of play. This destination playground will truly impact everyone in Carter and Johnson Counties and beyond.

Inclusion is not bringing people into a space that already exist. It is making a new space, a better space for everyone.”
